**When creating your AOL Quick Checkout password:**

- Make it at least 8 characters long.
- Include letters and numbers, but not punctuation marks.
- Do not use your regular AOL password.
- Do not use words that appear in the dictionary.

Whenever you make a purchase using AOL Quick Checkout, you'll enter your AOL Quick Checkout password. This extra security helps ensure that no one else can make purchases using your information.

**Tip**

Create a password that's easy for you to remember, but hard for others to guess. For example, use a combination of your mother's name, or maybe the place where you work, and your date of birth. Ex. cec0410C
